

# OneCommute Commuter Rewards & Incentive Hub

## EMPOWERING COMMUTERS, ONE REWARD AT A TIME!

A dynamic and user-friendly component of our Enterprise TDM Platform designed to incentivize alternative commute activities. Our innovative rewards program empowers your employees to make long term greener travel choices while earning rewards that align with their values and interests.

### From First Ride to Long-Term Change

Combine short-term motivation with long-term habit building. Offering upfront incentives-like gift cards or free transit passes - to encourage commuters to try a new option, such as carpooling, biking, or taking transit. Once they've taken that first step, the rewards system kicks in, using points, prizes, and monthly raffles to keep them engaged and reinforce consistent, sustainable commuting choices.

### A Rewards Catalog that Resonates

Diverse & flexible catalog of rewards to ensure commuters finds rewards that matter to them!

- Gift Cards to shop at top retailers & restaurants
- Charitable Donations to support a cause
- Eco-Friendly Options to support sustainability
- Days off Earned
- Ecards for local sports teams

### Impact of Rewards Program

- Boosts employee engagement
- Encourages green commuting
- Cultivates environmental responsibility
- Helps attract & retain talent

### You Set the Budget, They Choose the Reward

Designed for organizational flexibility, allowing customization of budget and reward parameters to align with sustainability goals & financial considerations, while providing value to employees.

### Empower Sustainable Choice, Reward Meaningful Actions

Promotes eco-friendly commuting by allowing employees to earn points through sustainable trips logged on the OneCommute Mobile app. Points can be redeemed for rewards, encouraging a greener planet.
